A motion was made to pursue non-profit tax exempt status and the motion was carried.

A motion was made to purchase non-profit tax exempt status and the motion was carried.

Dr. S.D. Brown discussed OSA's non-profit status and we would need to get IRS to approve this.

The by-laws need to reflect our incentive to help others outside of our association. Dr. Brown needs to see that OSA does for the community and not just for the members then explore this with the IRS.

Dr. Cross suggested that the president and president-elect come together to make the language clear and bold and we need to write an amendment to clarify this issue.

Awebs mentioned allowing people in related fields and those need to make changes to clarify the by-laws.

Dr. Ford discussed the by-laws and suggested that something be written that the president elect should be a practicing sociologist in academic study.

Joanna Howard was nominated as president elect.

Dr. Bangash issued the rules of the president elect from the by-laws.

Joanna Howard was nominated as president elect.

Joanna Howard was nominated and Josephine Simpson won a vote between the two candidates. Joanna

Joanna Howard was nominated as president elect.

Dr. Bangash issued the rules of the president elect from the by-laws.

Joanna Howard was nominated as president elect.

Observe Speaker James Anderson.

OSA's Speaker James Anderson.

Remarks explaining that this is a great time of physical change. For instance this morning.

Dean Cross's axis was to make the web easier to use. The initiative has been a difficult project this

year. The initiative was special funding. $2,000 - but we won't have the money next year. The

reason was due to the publishing costs. The major source of income is libraries but they are not covered by

reason for this year. Because this is the last year before this happens.

The cost was $200,000 - but make the web easier to use. The initiative has been a difficult project.
